To Whom It May Concern,

TESTIMONIAL – MS JUNE TAN

It gives me great pleasure to write this testimonial on behalf of Ms June Tan.

In my current position as the Executive Director of the Singapore Institute of Arbitrators, I have had many wonderful opportunities to work with June in a few seminar events held in collaboration between the Law Society of Singapore and the Institute.

I have tremendous faith in June's organising ability and her level of professionalism in the delivery of our joint events. Many at times, we do not have the indulgence of a reasonable marketing and promotion period ahead of the events. June would not hesitate to take the initiatives in utilising her resources to overcome any challenges in the way.

The Council Members and I are all very pleased with the outcome of these joint events featuring mostly eminent speakers from Singapore and abroad.

I wish her all the very best in her new endeavour in making a difference to the continuing professional training development here in Singapore.

Yours sincerely
